O PEACEFUL NIGHT!

O PEACEFUL night! so calm and still!
The moonlight sleeps on vale and hill;
And soft the brooklet hurries by
With murm'rous flow of lullaby:
Till life awakes adown the dale
Sweet music of the nightingale.
O peaceful night! O dream of day!
Stay with us, stay!

O mystic night! in woodland shade,
Thou know'st a fairy-haunted glade
Where laughing elves, with tiny feet,
Go tripping through the meadow-sweet:
Till in the silent sky afar
Again shines forth the morning star.
O mystic night! O dream of day!
Stay with us, stay!
