Ne riguardi al dono; ma all'affetto con che dono, perche ſ'uno è picciolo, l'altro è grande, anzi gli accoppij inſieme, che dalla picciolezza dell'uno, & dalla grandezza dell'altro ſentirà vn'armonia di Basso, e di Sourano che cantano i ſuoi fregi, e le ſue glorie. Conche riuerente me gliinchino, & li bacio le ſacrate mani. Milano il 24. Luglio 1602.
