PONT. OPT. MAX.

Curtius Mancinus Romanus Felicitatem.

REPERTA olim gemma est, quæ nouem omnino Musarum, tum Apollinis effigiem, incredibili non artis, sed ipsius naturæ conformatione exprimebat: hæc annulo inclusa cum in manus Pyrrhi pręstantissimi Regis aduenit, si sensum potuisset induere, prę gaudio, vt quidam ait, illustris tam illustrem, hoc est dignum possessorem nacta plausisset. Pari modo, ratione dispari meus hic libellus sensu animatus authoris, mutuatus ab ipso voces in tuo P. B. cupit & poscit prodire patrocinio. Non ille Musas, sed Musicas cantiones continet, non Phœbum, sed quem Phœbus amat, aut saltem, qui Phœbum amat. Idcirco ex parte non audet. audet nihilo minus, quod licet non sit gemmeus; si tamen augustissimum nomen tuum in fronte gesserit, gẽmas omnes splendore, atque pretio superabit. Accedit meum iam inde à puero studium, atque officium in te, excellentissimos fratres, patremq. tuum; accedit peculiaris tua voluntas in Lauretanam Virginis Domum, cui operam impendo Chori Præfectus. Quæ omnia faciunt, vt spe bona plenus fidei tuę me opifex, opificiumq. committam. Patere igitur inter occupationes plurimas, & grauissimas, tantisper tibi canere musas meas, vt ipsa relaxatione te ad orbis terrę gubernationem intendas.

RERERTA olim gemma est, quæ nouem omnino Musarum, tum Apollinis effigiem, incredibili non artis, sed ipsius naturæ conformatione exprimebat: hæc annulo inclusa cum in manus Pyrrhi pręstantissimi Regis aduenit, si sensum potuisset induere, prę gaudio, vt quidam ait, illustris tam illustrem, hoc est dignum possessorem nacta plausisset. Pari modo, ratione dispari meus hic libellus sensu animatus authoris, mutuatus ab ipso voces in tuo P. B. cupit & poscit prodire patrocinio. Non ille Musas, sed Musicas cantiones continet, non Phœbum, sed quem Phœbus amat, aut saltem, qui Phœbum amat. Idcirco ex parte non audet. audet nihilo minus, quod licet non sit gemmeus; si tamen augustissimum nomen tuum in fronte gesserit, gẽmas omnes splendore, atque pretio superabit. Accedit meum iam inde à puero studium, atque officium in te, excellentissimos fratres, patremq. tuum; accedit peculiaris tua voluntas in Lauretanam Virginis Domum, cui operam impendo Chori Præfectus. Quæ omnia faciunt, vt spe bona plenus fidei tuę me opifex, opificiumq. committam. Patere igitur inter occupationes plurimas, & grauissimas, tantisper tibi canere musas meas, vt ipsa relaxatione te ad orbis terrę gubernationem intendas.
