I risplendenti chiarori del nome glorioso di V. S. Illustrissima espongo diuoto i primi parti del mio ingegno. Questi di vantaggio oscuri implorano dalla Luce della sua protezione quel solo riflesso di gratia, che li può render del tutto luminosi. Escono alle stampe picciol dono d'vn grandissimo ossequio, che le professo. Cercano ricouero nel suo seno dalla detrattione de maleuoli; che perciò la supplico cortesemente gradirli, che sarà vn difenderli, come cosa sua. Non hano questi altro motiuo, ch'vna riuerente ambitione di rassegnarmi eternamente schiauo della di lei benignità, con che s'hà sempre soggettato, anco i cuori di chi non la conosce, & qui humilissimo la inchino.

ILLVSTRISSIMO SIGNOR  
SIGNOR ET PATRON  
COLENDISSIMO.

I risplendenti chiarori del nome glorioso di V. S. Illustrissima espongo diuoto i primi parti del mio ingegno. Questi di vantaggio oscuri implorano dalla Luce della sua protezione quel solo riflesso di gratia, che li può render del tutto luminosi. Escono alle stampe picciol dono d'vn grandissimo ossequio, che le professo. Cercano ricouero nel suo seno dalla detrattione de maleuoli; che perciò la supplico cortesemente gradirli, che sarà vn difenderli, come cosa sua. Non hano questi altro motiuo, ch'vna riuerente ambitione di rassegnarmi eternamente schiauo della di lei benignità, con che s'hà sempre soggettato, anco i cuori di chi non la conosce, & qui humilissimo la inchino. ILLVSTRISSIMO SIGNOR  
SIGNOR ET PATRON  
COLENDISSIMO.

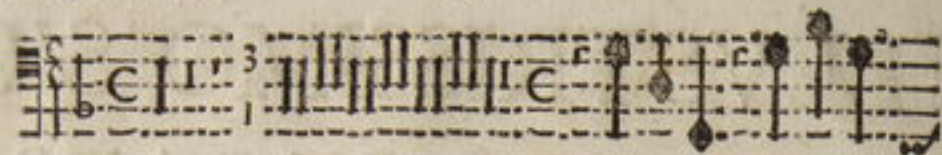

I risplendenti chiarori del nome glorioso di V. S. Illustrissima espongo diuoto i primi parti del mio ingegno. Questi di vantaggio oscuri implorano dalla Luce della sua protezione quel solo riflesso di gratia, che li può render del tutto luminosi. Escono alle stampe picciol dono d'vn grandissimo ossequio, che le professo. Cercano ricouero nel suo seno dalla detrattione de maleuoli; che perciò la supplico cortesemente gradirli, che sarà vn difenderli, come cosa sua. Non hano questi altro motiuo, ch'vna riuerente ambitione di rassegnarmi eternamente schiauo della di lei benignità, con che s'hà sempre soggettato, anco i cuori di chi non la conosce, & qui humilissimo la inchino. Venetia li 26. Aprile 1649.
