DI D. NATAL MONFERRATO

Vice Maestro di Cappella della Serenissimo Republica

D E D I C A T I

ALL'ILLVSTRISSIMO, ET ECCELLENTISSIMO SIGNOR

A N T O N I O B A S A D O N A

LIBRO TERZO OPERA SESTA.

I N V E N E T I A , M . D C . L X V I .

Appresso Camillo Bortoli.

ILLVSTRISSIMO, ET ECCELLENTISSIMO SIGNOR.

L lavoro del Mondo nelle sue parti anco rche fra loro dissonanti, fu creduto da alcuni in harmoniche proporzioni di consonanza composto. Quindi non vi mancò, chi delle nome al Sole di Pietro sonoro: Se pure dir non lo vogliamo scientiato Maestro di Ballo, che al suono de concerti delle sterc guida colasù danzando le Stelle; e quà giù con giulio passeggiò fà che girino alternandosi fra loro le stagioni. Onde giù che quivi mi gioua ammirar il Mondo come scuola de più ben accordati concerti, douendo dar in luce questi miei Musici Componimenti, non seppi, che consacrarlo à Vostra Eccellenza picciolo Mondo, in cui le Virtù tutte, con dolci accoppiamenti fra loro vnite, in harmonia la più concorde componono. Egli fu gratiosissimo pensiero di Sant' Ambrogio, che l'Anima nostra nel Corpo come in vn Musico Strumento si troua: Opinione, à cui da proua bastevole l'Anima Nobile di Vostra Eccellenza; se quella dal petto, ripigliarò con vn'altro Santo, come da Cetra sonora non sa far vdir in cortissimo tratto, che foau le Melodie. Per tanto i miei Musici sospiri, per non hauer à querelarsi d'auantaggio per il Morio de Critici, e cinquetare de Zoili, ricorsero allegri sotto la Protectione sicura di Vostra Eccellenza. Dunque la d'ilei autorità si degna di compartire qualche valore à questi Componimenti, li quali ben mostrano, quanto vaghino poco nelle lor minime. Resti ella seruita, ch'io in qualche parte vadi computando i miei debiti senza numero, acciò à tanta somma non mi sgomenta, fra numeri d'harmonia. Egli sarebbe però poco senno, di chi pretendesse dislegnare in questi fogli fra semibreui vna cortza espressione di sì lunghe obbligazioni. Ond'io che trà le pause dourei hormai imparar à tacere, non sò che apprendere ad intonare ciò, che deuo sempre mai professare, e mi professo d'esser senza imitacione veruna.

Di Vostra Eccellenza Illustrissima.

Humilissimo Deuotissimo, & Obligatissimo Seruitore
D. Natal Monferrato.

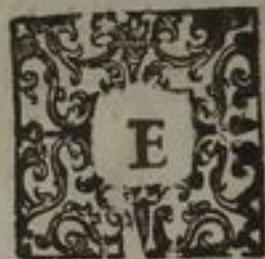

LET-

LETTORE.

Il prego non sdegnar per vna volta almeno, prima di cantar queste mie fatiche darli vna scorsa, perche qualche errore di stampa che vi potesse essere potrai correggerlo, & poi se ti gradirano cantarle; assicurandomi che saranno compatite le mie debolezze ch'altra mira non hanno che di seruirti.
