 AD A U T H O R E M.
Musica LAMBERTI, quid toto spargitur orbe?
Unas non patitur gloria tanta manus.

A L I U D.

E De tui tandē pignus LAMBERTE laboris,
 Et gratum solido pectore profer opus.
 Cui nec in cois dabitur par visere terris,
 Nec ubi luctantes Luna coarctat equos.
 Ante fores stantē renais admittere laurū?
 Perge; vehet secū prœmia magna labor.

Non nobis solū, Patriæ sed nascimur omnes,
 Ut Plato prudenti pectore magnus ait.
 Æternū tua Scripta canent Germania, & ipsi
 Belgæ, nā nequeunt hæc monumēta mori.
 Post te victuri, per te quoque vivere Cantus
 Incipiant, cineri gloria sera venit.

Helix tandem illuxit mundo dies. Imperator Augustissime, quo bonorum omnium votis, magna Germania expectationi totius mundi, ut dixiturno; ita justo desiderio, est satisfactum, In quo, quod ab omni aeternitate, in Secreto Dei Consilio statutum fuit, in publico totius Germaniae Theatro est promulgatum, quo inquam, favente volenteq; Numine, applaudente orbe universo, omnium Septemvirorum calculo, Romanorum & Germanorum Imperator es Electus, supremam hanc tibi Imperator Augustissime, dignitatem, gratulor ex animo, optoque, ut Majestate hac, ad Reipublicae Christianae defensionem, ad Ecclesiae Catholicae incrementum, ad majorem Divini nominis gloriam, fruaris multis annis. Est jam mea, omniumque communis vox, quae apud Romanos in Amphitheatro, epulari die, frequenter audiebatur: Domino & Dominae feliciter, De nostris annis tibi Jupiter, augeat annos: Deus te servet Matthiae Imperator, Deus te nobis dedit, Deus te nobis servet, Verum ut Romani novum Imperatorem, non tantum faustis acclamationibus & votis, sed etiam muneribus prosequerentur. Ita & mihi faciendum arbitratus fui. At, quid Servus Domino, cliens Patrono, Subditus Rege atque Imperatore dignum, offerre potest? Pretiosas aut Indi aut Tagi merces donare nec mea facultas, nec tua voluntas permittit. Scio Austriacos Principes, cum Fabricio, divitibus imperare, quam Divites esse malle. Quod igitur possum & debeo, tibiq; Imperator Augustissime, non ingratum fore spero, offero: nimirum, has Sacras Symphonias, quas dum Sacrae tuae Majestatis Capellae-Magistrum ago, successivis horis, quali quali industria mea, composui. Eas igitur Caesarea tua Majestas sereno, quo solet, vultu suscipiat, auribus attentis & benignis audiat, & me ut solito suae clementiae favore prosequatur, summa animi submissione iterum atque iterum rogo

Sacrae Caesareae Majestatis Vestrae

Handwritten musical score on aged paper, featuring multiple staves with notes and rests. The text is mirrored across the page, suggesting bleed-through from the reverse side. A circular purple stamp is visible in the center of the page.

The stamp is circular with a double border. The text within the border is arranged in a circle and appears to be in a non-Latin script, possibly Persian or Arabic. The center of the stamp contains a small, illegible mark or symbol.
