Vannini D. Bernardino da Barbarano

R. Floridus Canonicus De Silvestris a Barbarano Sacras Musicales Cantiones octo vocibus, et pro Processionibus, Auctore R. Bernardino Vannino Cathedralis Viterbiensis olim Musices Praefecto in lucem edendas curavit. - Romae, Ex Typographia Amadei Belmontij. 1666. - in 4°. Cantus, Altus, Tenor, Bassus primi chori; Cantus, Altus, Tenor, Bassus secundi chori et Organum. In tutto opuscoli nove. (Avvi la seguente dedicatoria del Silvestri a due suoi nepoti):

Marco Antonio et Dominico Germanis Fratribus De Renzis. Floridus De Silvestris Patruus fel.

Cum iam cognoverim Vos ab adolescentia deditos Virtutibus, et in recte scribendo, et praesertim in Musicali Concentu cupidos addiscendi tam mirabilem, ac nobilissimam Musicalem Scientiam, quae apud Graecos tantae venerationis fuit, quoniam in Graecia Musici floruerunt, ut idem Musici, et Vates, et Sapientes iudicarentur, ita ut Themistocles Vir Atheniensis Clarissimus inter alios celeberrime Doctus, cuius scientiae cum se imperitum confessus esset, indoctior habitus est, idcirco impulsus ab eodem motu cupiditatis vestrae ista musicalia, ac sacra Cantica Vobis dico R. Bernardini Vannini foel. rec. Auctoris valde Celebris, et Concivis nostri, qui cum Sermone Excellentissimorum musices Auctorum in Urbe commorantium sit celebratus propter ipsas musicales Cantiones visas ab eis, ac diligenter intuitas, sum ausus easdem non solum in lucem edere, sed et ante oculos vestros exhibere: Studete igitur in diligendo virtutes, quoniam omnibus virtutes diligentibus Deus Dator Optimus adest Propitius, et dum praecor eundem Coelestem Regem Vobis impertire omnia desiderabilia bona ad salutem vestram, Gaudete Foeliciter In Domino.

Da questa lettera ricavasi che il Vannini era uomo di chiesa; che già era passato all'altra vita; che aveva comune la patria col Silvestri; e che era autore assai celebre in musica, tale giudicato dai professori romani di quell'epoca.

La presente raccolta contiene dodici mottetti.

Fuvvi pur sul declinar del secolo XVII un Pietro Paolo Vannini di Palestrina, di cui vedesi un componimento nella raccolta manoscritta: Musica volgare d'autori romani {al n. 1059} del Liceo, e in altra Raccolta a stampa del canonico De Silvestris fatta l'anno 1659, {ed esistente al Liceo sotto il n. 845}.

Nomi: Vannini, Bernardino.

Editori: Belmonti [Balmonti], Amedeo.
