BALLET RUSSE

A. Luigini, Op. 23

The melodious, catchy character of this music has given it very unusual popularity. While it was originally written for a theatrical ballet-production it is so thoroughly individual and artistic throughout as to make it equally fit and desirable for concert performance. It may creditably be placed side by side with the best ballet music written by Delibes, Gounod and Saint-Saens.

SCENES NAPOLITAINES

J. Massenet
